

To Increase a low Quiz or Task Score:

If you earned below a C on your quiz or task, to bring up your grade you must:

1. Have your parent sign the quiz and print their name on the quiz or task.
2. Rework every missed problem in **RED INK** & get the correct answer for each. This is to be done on a separate sheet of lined paper & stapled to the task or quiz.
(ALL WORK MUST BE SHOWN)
3. After each correction, explain what mistake or mistakes you made, in full sentences.
4. It must be completed and turned in to me **LESS THAN A WEEK** after the original quiz was taken.
5. If all this is completed, **ON TIME**, your quiz or task grade will be raised to a C (75%).
6. **IF YOU LOSE THE QUIZ OR TASK, YOU CANNOT BRING UP YOUR GRADE.**
7. **After the 3rd quarter, students cannot raise their grades on tasks or quizzes.**

Test Scores:

1. Before each test, **WE WILL COMPLETE A PRACTICE TEST TOGETHER** in class.
2. **THE PROBLEMS ARE VERY SIMILAR TO THE PROBLEMS ON THE ACTUAL TEST**, but the numbers in the problems are different.
3. 2 days before the test, we will complete a comprehensive chapter review together in class.
4. If you have difficulty on a problem during the practice test, you **MUST ASK QUESTIONS** so you can do well on the actual chapter test.
5. Since you will already have taken the practice test before and completed a chapter review,
THERE WILL BE NO RETAKES OF THE CHAPTER TESTS.
